Dear Sir/Madam,

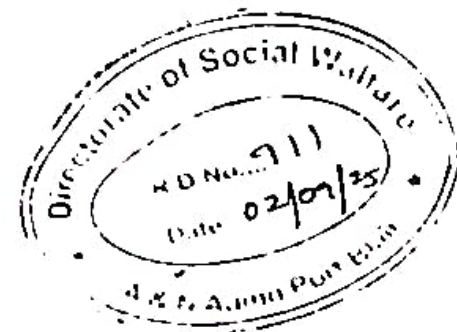

Kindly refer to the discussion on training Geriatric Care Givers in the Conference. The list of Collaborating Agencies of NISD for training courses is enclosed.

All are once again requested to kindly undertake the standardized course on Geriatric Care Givers so that a pool of professional trained care givers can be built and accessed for services. This course will also help to go for advanced refresher and palliative care courses and also as job opportunities within our country and abroad.

You are requested to kindly contact those Collaborating Agencies/training partners of NISD and undertake the training of Geriatric Care Givers in SAP.

Warm Regards,

Ms. Monali P. Dhakate  
 Joint Secretary(Sr.C)  
 Department of Social Justice & Empowerment
