- Research, Documentation & Innovation

“Empowering caregivers, supporting families, uplifting elders and strengthening communities.”

Training today, compassionate care for a better tomorrow.

1 ABOUT TNIPM

The Tamil Nadu Institute of Palliative Medicine (TNIPM) is a premier training and service institution established in 2012 under SCOPE India. We are dedicated to building compassionate, competent and skilled workforce for geriatric and palliative care.

TNIPM provides home-based care, community support, caregiver training and health system strengthening to ensure dignity, comfort and quality of life for elderly persons and those with chronic illnesses.

2 WHY GERIATRIC & PALLIATIVE CARE MATTERS

- India's elderly population is rapidly increasing.
- Many suffer from chronic illnesses, disability, dementia and limited mobility.
- Families and health systems need trained caregivers and community support.
- Palliative care improves quality of life and ensures dignity in the last phase of life.

Bedridden Elders

Dementia Patients

Terminally Ill Individuals

Elders Needing Daily Assistance

Geriatric & Palliative Care Ensures:

- ✓ Dignity & Comfort
- ✓ Pain Management
- ✓ Emotional Wellbeing
- ✓ Psychosocial Support
- ✓ Improved Quality of Life

TNIPM bridges the critical gap through community-driven and sustainable elder care solutions.

India's elderly population is growing rapidly. Let us care today for a better tomorrow.
